HE'S HERE TO HELP

The guy came to my door and asked if I needed his help.

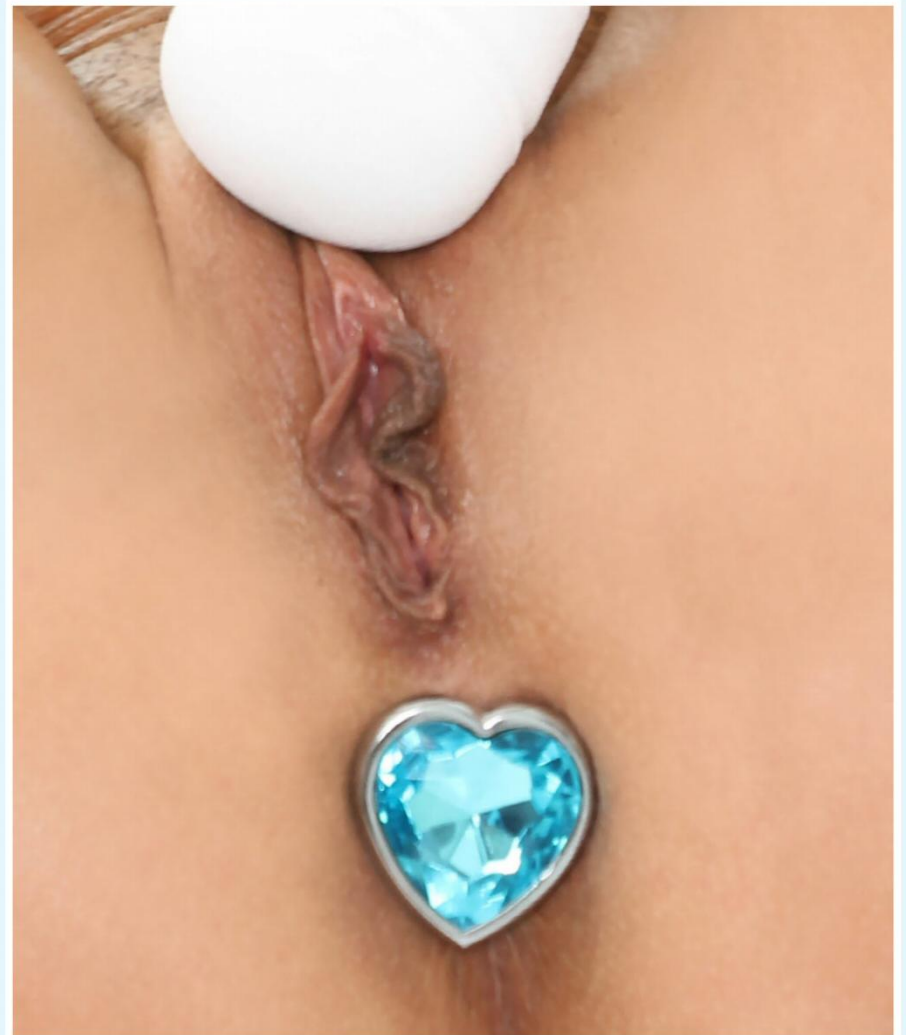

My toy box seems empty, only having a few dildo's in it. Mr Purple, blue ice, a small butt plug and my 10" glass dildo. I need a new butt plug and I'd really like to have a purple rabbit (waterproof). So I go down to the local sex shop and start looking at all the fun toys. There's a guy helping me at the glass counter. He's pulling out different size dildo's and letting me examine them.

I tell him that I like this short glass one that looks like a long pacifier. It has a ring on the end like a handle, I figure it would be great for use in my ass. Then we go over to the rabbits. I ask him if he can open this one and let me try it with batteries. He puts in the batteries and I'm starting to enjoy all the speeds and the different ways it spins. I tell him that I can't wait to get home and try my toys out.

The guy smiles at me, rings everything out and tells me that I can go into the silky room and try them out here, if I wanted.

He leads me into the purple room, shows me how to use the tv and dvd player. He tells me, if I need anything, to ring the buzzer and he would come into help. So, I'm getting a movie going and getting comfy on the furry bench. There is a curtain behind the tv and I open it. On the other side is a guy jerking off to the tv. I don't think he can see me. I'm thinking its a one way mirror. 'Sweet,' I think to myself.

I'm watching the guy and the movie and I'm undoing my clothes to get naked. My nipples are hard and I'm pulling on them and sucking on my nips the best that I can. My finger is sliding up and down my clit. I get the rabbit out and begin using it on my pussy. I put one part in my hole and the other is tickling my clit. this is turning me on. I'm fingering my ass and get the

glass dildo out, suck on it for a minute or two and stick it in my ass. Slow at first, then I'm stroking it harder.

I take the rabbit out and fuck my ass. I'm on my back with my legs up high on the glass in front of me. I'm moaning loudly. I'm getting into my masturbation and didn't realize that I hit the buzzer. The guy came to my door and asked if I needed his help. I was startled at first, then told him I couldn't get the player to work. I unlocked the door and let him in. He's looking at me with his "I want to fuck you eyes".

He leans over to look at the dvd player and I roll over and let him see my plug in my ass. I ask him to help me with pushing it in further. He takes the plug and begins to pump my ass. I'm now moving myself to the doggie style and letting him do all the work. I'm playing with the rabbit on my clit again. All this attention for me and nothing for the guy.

I pull away from him and begin to undo his pants. He says that he can't let me do that. That he is only here to help the customers. Well, really he would be helping me..by fucking me. But, he says that he's not able to do so. So, I tell him to continue with fucking my ass with the dildo. He's into this alot. In between the dildo and his fingers in my ass, I'm getting off alot. I tell him thanks for the help and would love for him to help me again.

I'm dressed and out of my room, he's helping some guy with a movie. I walk over to him and tell him thank you again and slip him my phone number. On my note, I tell him to call me when he gets off work. The customer looks at him and tells him he needs to go for it. He'd like to fuck my ass, the customer tells him.

A few hours later, the phone rings and it's Kirk from the sex shop. I give him directions to my house and he's on his way.

I leave the door open just a crack and he walks in calling my name. I tell him to come to the kitchen, where I'm sitting on the counter with whipped cream on my pussy and tits.

He undresses and walks to me, bends down to lick the cream off my tits and is rubbing the extra cream over my tummy. Licking my tits and licking up the cream to my pussy is making his dick very hard. He's licking my pussy and fingering me to make my own cream pie. I pull his head in closer and make him eat my hole.

Kirk lifts me off the counter and is holding me in his arms. My legs wrapped around him and he has a finger in my ass. I can feel his cock on my pussy, it needs to be inserted. He lifts me up a bit and slides himself in me. Kirk turns me around to put my back up against the wall. He's fucking me like he hasn't had any pussy in a long time.

I'm screaming with ecstasy. I'm cumming and Kirk

continues fucking me and fingering my ass. I'm begging to have his dick in my mouth. He puts me down and I'm on my knees sucking his hard member. The floor is rough on my knees, so I lead him to the kitchen table, I have him lay down, I squirt the whipped cream all over his dick and put a cherry on top for good measure.

I kiss his lips and kiss my way to his member. I work from the bottom up. First his balls, then his shaft. MMmmm, the cherry is in my teeth. I go up to his lips to share the cherry. He pulls the cherry off the stem, I then work the stem into a knot and give it to him. I then go back down to sucking him. The pre cum is spewing from him and I'm licking it, and I open my

mouth wider and stick out my tongue to show that I'm slurping it down my throat.

I then crawl on top of him in reverse cowgirl and is bouncing my ass in his face. He's liking the view and his thumb is in deep in my ass again. I let out an 'OOOhhhh' and he puts in another finger. As, I'm pumping his dick, he's fingering my ass harder. I tell him I want his dick in my ass. I get up and grab the olive oil from the table and put it on his dick and lube my ass. I then sit in same style on his ass.

A loud sigh from Kirk and I'm riding him. He has me lay back on his chest and he's fucking me. My fingers in my clit and on my chest. Kirk has me get up into the doggie style. He then mounts my ass and is fucking me. This feels soooo good, it's a great feeling to be fucked by a complete stranger. A nice young man fucking my ass.

Kirk is ready to cum, I tell him to fill my ass. He does fill it and comes to my mouth for me to finish sucking him off. We are finished and are getting dressed, Kirk helps me clean up our mess in the kitchen and offers to take me out for dinner. Since we already had our dessert, he's hungry for dinner. We go out for a quick bite and we go back to my house for another round at dessert.

BARBIE BANXX

Provocatively dressed in gold, Barbie snares your senses as she explores the city at night. Her beauty is such that her suitor for the evening can't even wait to get off the street before giving in to her feminine charms.

888-673-8777 MUST BE 18 TO CALL

Talk dirty

I want to tell you about my new girlfriend and me. The old one was a bore, so I dumped her for a better model. Here's why! Okay so we're lying in bed one night and she's bobbing her head up and down on my cock, when I tell her to move her butt I can touch it. I slide two fingers into her pussy and rub my thumb over her clit.

Then I put in another and another. I take out one wet finger and push it into her ass. It slides right in with no resistance. I keep jamming my fingers into her pussy and ass. I finger-fuck her matching the rhythm of my fingers in her pussy with the one finger in her ass.

I keep a finger in her ass to guide my cock into her. I slowly stick it into her, which by now is now well-lubricated with her pussy juices. She's now is upright on her knees with my finger in her ass and her butthole's hovering over my cock. She eases down slowly, sliding my cock into her ass steadily, until my cock passes her puckered rosebud and tunnels itself into her butt.

I go slow since this is the first time we're doing it and I hear her little squeals and that's turning me on even more. I grab her ass cheeks and start to move her body down

deeper onto my cock until it is all the way in. I linger there for a while as she gets use to it.

By now she's loosened up around my cock and I begin to move my cock in and out. Slowly at first then picking up the rhythm. I increase the speed of my thrusts as she rode me like the fuckin' buck that I am. I finger her pussy in the front and fuck her in the rear. Her ass is soft yet the entrance is firm around my shaft,

more like her mouth. I feel her sphincter close tight around my cock on the upstroke and loosen on the down. This girl seems to have gotten it right the very first time!

Then she starts to talk dirty to me as she senses that I'm about to come. Bending over and giving my cock a few swift pumps up and down, I shoot a huge anal load deep inside her. My willie goes limp and I feel my jizz drip onto my pubes. I stay in her and let her cum as any gentleman would do.

It was way cool, guys!

– Doug

Not office policy

I can't believe I'm writing this letter! I had never wanted to become involved with anyone at the office. There's way too much at stake, especially your job. But one afternoon I was at the deli getting lunch to go and realized I had left my wallet back at my desk. I looked behind me hoping others did not notice and that I was not holding up the line. I noticed David back in the line and motioned him to come up. He did and I told what had just happened. He put in his order and told the clerk he was paying for both of us and he handed over his card.

We left together and talked on the way back to the office. He said he was wanting to talk to me, even ask me out, but he too did not want to dip into the office pool. I told him that's what I thought. I wouldn't mind just seeing someone, but not to get involved. With that, he asked if I liked movies. It turned out that we liked a lot of the same movies and also some of the same music. Soon his jokes and his charming demeanor put me at ease. We went to the movies that weekend.

While the movie was playing I found myself glancing at him out of the corner of my eye. I hoped that it was pretty apparent to him that I was digging him. I reached over for the popcorn bucket and to my surprise he had a raging hard-on tenting up his jeans. I looked at him and he smiled meekly. I tried to hide my smile, but couldn't. I smiled back at him.

I don't know what came over me, but I started stroking him through his jeans. Growing even more bold I unbuttoned his jeans and unzipped his fly. His rock hard cock jumped out through the hole of his boxers. I wasted no time working my hand up and down his shaft and up over the tip. My god, this was hot! I had never done anything like this before. I mean in a theater.

The theater was mostly empty and those that were there seemed like they were into the movie. I bent down to take him into my mouth. My head bobbed up and down as I sucked his cock with intensity, running my tongue and lips over every inch of it. Then I sucked just the tip as I pumped his shaft with my hand. That did

it for him and he let out a stifled moan, as his cock was filling my mouth with his hot cum. Trying

not to gag and alert people, I had no choice but to swallow it all! After I straightened up, I took a big gulp of my soft drink.

After the movie we went back to my place, said we would not say anything to anyone at the office and fucked our brains out. So much for office policy.

One Wednesday night, my husband and I decided to finally go to the PTA meeting at our local school. We had been putting it off, but thought better of it and so we went. There were over one hundred people there that night and right at 7 pm Nelson, the current president, called the meeting to order. He went through typical business and we tried to maintain our interest in the proceedings.

Nelson 35 years old and 6' tall with jet black hair. I had a couple questions for him but was a little embarrassed to bring it up at the meeting in front of all those people. We met him after all was done and I voiced my concern to him about traffic flow around the school, and of course, the food quality at in the cafeteria.

While he didn't say anything to solve the problems, I did find him pleasant and actually quite

attractive. Two weeks later we were at the next meeting. Afterwards, we saw Nelson again and this time we just made some small talk. He mentioned that

self so I could approach Nelson with my proposal. I eased into it and then just came right out with it. "I want you to fuck me." I told him. Somehow he was not as sur-

ning take it's course.

As Nelson walked through the door, I took him by the hand and sat him down in a big overstuffed chair. I waste no time and slowly maneuver myself into a position where I could grind my ass all over Nelson's growing cock. I was definitely beginning to get very horny.

I bent over to unzip his pants and took them off. He did the same with his shirt. I pushed my tits together, grabbed and shoved his throbbing rod between them, fucking my big tits.

By now I was so horny I bent my neck and kissed the head between my boobs leaving a beautiful lipstick print on it. His precum was flowing freely, oozing onto my lips giving them a glossy coat. Finally I gave in and pushing his cock firmly into my mouth. I noisily sucked and slurped it giving a good show to my husband as he watched.

I am an expert cock sucker so within a few minutes of attention to his cock, I could tell he was close so I released it from my mouth, holding it straight up, jerking it furiously, and started licking my balls. He erupted like a geyser, blasting my face and tits while he bucked throwing his head back in ecstasy. My husband gave us the thumbs up signal and stripped down to join us.

he was a widower but liked his involvement with the school. It seemed like Nelson payed a little extra attention to me than my husband.

At work on Monday, I found myself fantasizing about Nelson. I told my husband that we should invite him to dinner and find out more about the PTA. Next year's elections were coming up and I was getting into it that I might want to run for president. Next meeting we invited him and he agreed. As we entered the restaurant, I whispered to my husband that I would like to fuck Nelson. You see... we have a pretty open marriage. He's enjoyed watching me with other men in the past, as I put on a great show for him.

I felt quite sexy in my new dress while I was talking with Nelson. As dinner progressed, my husband conveniently excused him-

prised as I would have thought.

But ever the gentleman, he politely accepted and we made plans for a Wednesday rendezvous after the PTA Meeting. We had decided that he would return to our house and enjoy each other there. He was comfortable with my husband watching, or joining us. We would let the eve-

This is a bit unusual for me, to have pictures and a video taken of me when I have a plug or cock in my ass is something totally new. But I'm an adventurous gal, and besides, I learned to love having my butt filled. I was nervous at first, I mean almost shaking on the bed. But my ass got me through it.
